Because I apparently love bothering you, would you mind letting Della know that my case got continued until tomorrow? While it is a remote possibility that she would be needed tomorrow, it appears far more likely that she will be required on Thursday. If she has any questions, she can call me at (617)872-4489. Thanks.

Thanks so much, Annie. I'd say that I owe you one, but at this point, it's more like owing you for about twenty different things.
